

Assignments June Session

Group 44

Choice #1

- Read the book Tough Choices or Tough Times mentioned by Al Logsdon and write a one page summary on the implications that the information in the book has on your role as a school administrator. You may also select another book on leadership and answer the same question.

Choice #2

- Select one process skill from the Process Skills book and write a Goal Action Plan (red binder) on practicing this process skill by the October session.

Choice #3

- Write a one page summary on the 'True North' of your school and how you promote understanding of the focused vision among your staff to enable them to contribute and move more effectively toward accomplishing it.

Choice #4

- Select one distinction or good idea that you heard during the presentations *Brain Centered Leadership* or *Apollo 13* and write a one page summary of how you will implement the idea in your school.

Choice #5

- Create your own assignment: a new program you're completing in the fall; change in position, etc; or an idea you heard during the past three days. Write a one page summary or Goal Action Plan. Clear assignments with your facilitator before you leave today.
